# COMPANY PROFILE

Happy Zone Recreation Ltd. is a professional Chinese manufacturer with over 20-year manufacturing experience supplying widest ranges of children's indoor and outdoor playgrounds and providing one stop solutions of durable play ground facilities for school, park, campground, restaurant, shopping center and the general public at an affordable rate. our featured products include soft indoor play structures, adventure ropes course, indoor trampoline parks, ninja warrior courses, soft sculpted equipment, playground surfacing and kindergarten furniture. They all conform to international safety standard.

Our featured commercial indoor playground products include indoor playground structures, indoor trampoline parks, ninja warrior obstacle courses, rainbow crocheted playground, children educational toys and games, playground parts and accessories.

These indoor play units and frame structures are all designed and manufactured under international quality standards. Happy Zone strong design experts can create unique indoor play zone based on children's special traits and exploring appetites to meet any budget, age group, play area size and types for worldwide clients. We also design and supply alternative facilities for children party room, arcade game area, kids indoor sport center, art and craft area, adult fitness and coffee shop center to make the indoor playground a more featured Family Entertainment Center (FEC) for both kids and adults.
